

RPAG meetings - Key points

Meeting 16 June 2020

- The group had a presentation by [EcoVadis](#), who has created a sustainability assessment methodology as an evaluation of how well a company has integrated the principles of Sustainability/CSR into their business and management system.
- The group expressed interest in a presentation about ISO 20400 Sustainable Procurement for the sector. Some LUPC members are looking into ISO 20400 and a presentation by Action Sustainability would be of great interest. **Action:** LUPC to arrange an event.
- LUPC presented their latest documents: [Sustainable Development Goals Tender and Call off questions](#) and [ceremonial gowns supply chains](#).
- Members shared the challenges they currently face, especially around PPE, return to work products and stock and availability of products. Weekly updates on PPE stock availability on the CPC PPE framework agreement can be found on LUPC's [COVID-19 page](#). A [guide](#) has also been created for the procurement of back to work and PPE products.
- Members provided ideas for activities for the RPAG to focus on and feedback into LUPC's responsible procurement policy and strategy and special projects.
- The latest report on human rights due diligence was shared by professor Olga Martin-Ortega '[Making Human Rights Due Diligence Work: An Analysis of Impact and Legal Options](#)'
